

CROCKER NECK CONSERVATION AREA PRESCRIBED BURN SCHEDULED

* WEATHER PERMITTING*

Late May – Early June 2018

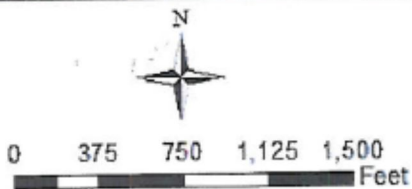

**PLEASE KEEP YOUR DISTANCE FROM BURN AREA
WHERE CONTRACTORS ARE WORKING**

Why: This type of controlled prescribed fire management promotes fresh growth of new plants, provides habitat and foraging opportunities for local wildlife, and also serves as a wildfire prevention method. Surrounding neighborhoods are protected by reducing the chance of wildfire in Crocker Neck by conducting these low burning controlled fires on a regular basis.

Crocker Neck Conservation Area Prescribed Burn Plan

Locus Map
Cotuit, Massachusetts

Legend

- Burn Units
- Property Boundary
- Roads

This map is for planning purposes only. Specific points are subject to verification on the ground, and are not to be used by themselves for legal boundary definition.
