**ROAD SURFACE MILLING AND PAVING
SEAVIEW AVENUE, OSTERVILLE**

The Department of Public Works will be performing roadway improvements on Seaview Avenue in Osterville beginning on Tuesday, October 24, 2017. Improvements include milling of the existing roadway surface, adjustment of drainage structures and installation of new asphalt pavement along the section of the road between Wianno Avenue and Eel River Road. Work is expected to be completed by Friday, November 10, 2017, weather permitting.

Vehicle access during construction operations will be restricted to one lane. Motorists are advised to seek alternate routes to avoid the construction work.

Operations will start promptly at 7 AM and run until 5 PM, after which time traffic will be opened back onto both lanes of the roadway.

As always, please slow down and use extreme caution when traveling through the road construction areas and follow posted safety signs.
