ROADWAY IMPROVEMENTS
OLD CRAIGVILLE BEACH ROAD AREA

The Department of Public Works will be performing roadway improvements on Farm Hill Road, Harbor Hills Road, Mizzentop Road, Red Lily Pond Road and Soundview Road beginning on Monday, May 15, 2017. Improvements include street sweeping, drainage system repairs and new asphalt pavement surfaces. Work is expected to be completed by Friday, June 9, 2017, weather permitting.

Vehicle access during construction operations will be restricted to one lane. Motorists are advised to seek alternate routes to avoid the construction work.

Operations will start promptly at 7 AM and run until 5 PM, after which time traffic will be opened back onto both lanes of these roadways.

As always, please slow down and use extreme caution when traveling through the road construction areas and follow posted safety signs.
