**ROAD WORK**  
**RTE 28 (Falmouth Road) NEAR BEARSE'S WAY**

The Massachusetts Department of Transportation (MassDOT) continues their roadway improvements for the 'Route 28 Intersection Improvements at Bearse's Way' as scheduled. The next phase of work will begin March 20<sup>th</sup> and end March 31<sup>st</sup> in the eastbound lane of Route 28 between 267 & 307 Falmouth Road.

Starting March 20, 2017, the eastbound lane of Route 28 will be detoured at the intersection of Route 28 and Bearse's Way. Traffic will be directed south on Bearse's Way, then directed northeast up Walton Avenue. The end of the detour will occur as traffic migrates back to Route 28. Traffic to local businesses will be allowed access.

Traffic during construction operations will be delayed and motorists are advised to seek alternate routes to avoid the construction work.

The work hours will be between the hours of 6:30AM and 5:00 PM.

As always, please slow down and use extreme caution when traveling through the road construction areas and detour routes and follow posted safety and detour signs.
