**Registration packets are available on the  
Recreation Website and at the  
HYCC front lobby.**

Many of our staff have been involved with the Summer Program for years. Most are young adults & college students with interests in Recreation and teaching.

All of our staff are certified in First Aid & CPR and have gone through a 4 day orientation prior to the start of the program. These young people are extraordinary role models and will keep your child safe along with having fun while they build bonds that will last a life time!
