The Planning Board of the Town of Barnstable, acting under Chapter 40A, Section 5 of the General Laws of the Commonwealth of Massachusetts, will hold a public hearing on Monday, February 24, 2014, at 7:00 p.m. in the Hearing Room of the Barnstable Town Hall, 367 Main Street, Hyannis, MA. The purpose of this hearing is to take comment on a proposed zoning amendment to clarify how the total sign area is calculated.

The amendment proposed is to replace in its entirety Section 240-65.C that now reads:

C. The total square footage for all signs of each business shall not exceed 10% of the area of the building wall facing a public way or 100 square feet, whichever is the lesser amount.

With the following:

C. The area of all signs for each individual business establishment shall not exceed 10% of the area of the building facade associated with the business establishment that contains the establishment's primary customer entrance or 100 square feet, whichever is the lesser amount. In instances where multiple business establishments share a customer entrance on the same facade, the total square footage for all signs of all business establishments attached to each facade shall not exceed 10% of the total area of the facade associated with the business establishments that contains the establishments' shared customer entrance or 100 square feet, whichever is the lesser amount.
