SPR 006-09 **NSTAR Power Stanchion off Phinney's Lane, Barnstable**
Off Phinney's Lane
Map 274, Parcel 023
Zoning District: RG Overlays: MSOD, GP

Proposal: **Verizon Wireless to remove one of existing 68' support pole for
power stanchion located on an NSTAR Electric Company
transmission structure and replace with an 80' pole, install 12
panel antennas on the replacement pole. Also, 12' x 30'
equipment shelter will be installed immediately adjacent to
NSTAR transmission structure. Diesel powered emergency
generator will be installed inside the proposed equipment
shelter.**

Status: Approved with conditions.
