BARNSTABLE TOWN COUNCIL

ITEM# 2017-051
INTRO: 01/19/17, 03/23/17

SUMMARY

TO: Town Council
FROM: Elizabeth Jenkins, Interim Director, Growth Management Department
THROUGH: Mark S. Eells, Town Manager
DATE: January 19, 2017
SUBJECT: Zoning Map Amendment to extend the Ground Mounted Solar Photovoltaic Overlay District to include Parcels 023023 and 038004

BACKGROUND: The Cotuit Water Department, with Green Seal Environmental as consulting engineer, and Borrego Solar Systems, Inc. (pursuant to M.G.L. c. 25A, § 11I) have partnered to develop, construct, and operate a \pm 5.7MWDC (megawatts direct current) solar photovoltaic electric generating facility on the one hundred eighty-two acre property owned by the Water Department off Main Street and Sampson's Mill Road in Cotuit.

RATIONALE: In order for the project to move forward toward local entitlement permits, it is proposed that the Zoning Map of the Town of Barnstable be amended to include the above mentioned property (Assessors Map 23, Lot 23 and Assessors Map 38, Lot 04) in the Ground Mounted Solar Photovoltaic Overlay District.

ANALYSIS: When reviewing the five potential project sites, the Water Department, Green Seal Environmental, and Borrego Solar, endeavored to consider the perspectives of all direct and indirect stakeholders of the project. The above mentioned property was identified as the sole property targeted for development. Some particular project highlights and benefits include:

- Large property allowing for zero impact to view sheds from neighboring residential lots and public ways
- Existing paved access roads will require minimal if any upgrade work allow for near zero impact to existing views from public ways
- Access to Eversource distribution lines at the center of the parcel allow for near zero impact to existing views from public ways
- No construction work proposed within \pm 1310' of a wetland area

To date, a number of development and site discovery activities have occurred which has led the project team to the point of commencing the entitlement process. A summary is presented below:

- Water Department Meetings: Ongoing formal and informal meetings with site lease executed 09/26/2016
- Cotuit-Santuit Civil Association Meeting: 9/20/2016
- Cotuit Prudential Committee: 9/26/2016
- Town Council Meeting: 11/03/2016
- Planning Board: Ongoing formal and informal meetings
- Cape Cod Commission: Ongoing formal and informal meetings
- Site Discovery Activities Performed to Date (all information is available upon request)
- Title Report and Review performed by Law Office of Joel Stein and Borrego Inside Counsel

- GIS/ LIDAR (light detection and ranging) Topographical and Boundary Mapping performed by Northeast Survey Consultants
- Skeletal Survey performed by Northeast Survey Consultants
- Wildlife Rare Species Screen performed by MA Division of Fisheries and Wildlife
- Wildlife Habitat Assessment Report performed by GZA GeoEnvironmental
- Wetland Delineation and Location performed by SWCA Environmental Consultants
- Interconnection Applications to Eversource Energy
- System Impact Studies to Eversource Energy
- Utility Easement Crossing Application to Eversource Energy
- Preliminary Site Plan design by Borrego Engineering
- Site Use Permit Plan design by Borrego Engineering

FISCAL IMPACT: The solar project will generate, as lease payments to the Cotuit Water Department, ± \$85,190 annually for up to thirty years. The Department is anticipating that revenue generated by the solar project will fund ongoing efforts to maintain and improve infrastructure (specifically replacing lost revenue resulting from the removal of a water tower) while supporting Federal, State, and Local goals of renewable energy adoption. The solar project will generate, as property tax payments to the Town of Barnstable, ± \$68,152 annually for up to thirty years. Project reliance on Town resources will be immaterial. From an environmental standpoint, Project will produce enough renewable energy to offset 6,000 Tons of Carbon Dioxide equivalent to the CO₂ emissions from the electricity usage of approximately 800 homes, greenhouse gas emissions from 1,140 passenger vehicles, and equivalent to carbon sequestered 5,100 acres of U.S. forests¹.

STAFF ASSISTANCE: Elizabeth Jenkins, AICP, Interim Director, Growth Management Department

ITEM# 2017-105
INTRO: 2/23/17

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Elizabeth S. Jenkins, Interim Director, Growth Management Department (GMD)
Melissa Hersh, Arts & Culture Coordinator, GMD Economic Development
DATE: March 23, 2017
SUBJECT: Hyannis HyArts Cultural District Renewal

The 'Hyannis HyArts Cultural District' was established in 2012 through the Massachusetts Cultural Council's Cultural Districts Program. The District was among the first ten Cultural Districts established in the Commonwealth and the first on Cape Cod. With this recognition we received state marketing support and in 2016 were awarded a modest state grant of \$5,000 to create, support and promote arts marketing in Barnstable. Five years later, the Hyannis HyArts Cultural District has strengthened partnerships with business and arts organizations; supported local artists with a variety of opportunities to connect directly with the public; and honored our unique community and maritime identity through projects that animate public spaces, including performances, public art projects, and walking trails. The next five years we will continue to enhance our status as a cultural destination and serve as an engine for economic development.

A MCC Cultural District is a specific area in a city or town with a concentration of cultural facilities, activities, and assets. It is a walkable, compact area that is easily identifiable to visitors and residents and serves as a center of cultural, artistic and economic activity. The statute that created cultural districts has six specific goals:

1. Attract artists and cultural enterprises
2. Encourage business and job development
3. Establish the district as a tourist destination
4. Preserve and reuse historic buildings
5. Enhance property values
6. Foster local cultural development.

The HyArts Cultural District partnership outlines goals and actions that provide a road-map for enhancing programming, improving the built environment, and supporting cultural economic development in the District. The established goals of the HyArts District are:

1. Establish new and expand existing partnerships to promote year-round arts and culture activities in downtown Hyannis.
2. Support a Multi-Use Cultural Center/Performing Arts Center
3. Attract new creative economy businesses and increase the number of artists living and working in the Cultural District
4. Preserve, enhance and showcase the historic and maritime character of downtown Hyannis.
5. Introduce new programming to actively engage residents and visitors, especially those who do not readily participate in the cultural community.
6. Recognize, promote, and enhance the reciprocal benefits of promoting arts and culture as part of the community and economic development. Explore opportunities for innovative collaborations between businesses, artists and or cultural organizations.
7. Pursue opportunities to improve aesthetics, safety, and pedestrian accessibility in downtown Hyannis' public places.
8. Maximize the benefits of cultural tourism by increasing the number of visitors and overnight stays in the Cultural District.

INTRO: 03/23/2017

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Lindsey Counsell, Chair, Community Preservation Committee
DATE: March 23, 2017
SUBJECT: Appropriation and Transfer Order in the amount of **\$85,000.00** Community Preservation Funds for Historic preservation and restoration of the Olde Colonial Courthouse, Route 6A (Main Street) and Rendezvous Lane, Barnstable

RATIONALE: The Community Preservation Committee voted on February 27, 2017 to support the funding request from Tales of Cape Cod in the amount of \$85,000 for historic preservation and restoration of the Olde Colonial Courthouse located at 3046 Main Street, Barnstable representing a portion of the total cost of Phase 1 work. This request for historic CPA funds is contingent on the awarding of a Massachusetts Preservation Projects Fund grant in the amount of \$40,000. This 2017 application amends the 2015 application for funds in the same amount which was approved by the Barnstable CPC and the Town Council contingent upon the receipt of a matching grant from Massachusetts Cultural Council which was ultimately not recommended for funding

This 2017 application recognizes a different matching funding source, Massachusetts Preservation Projects Fund, as well as a higher relative share of funding from the Barnstable CPC. The Old Colonial Courthouse is a “contributing property” in both the Barnstable Village Historic District and the Olde King’s Highway Historic District. The past events that have occurred in this building are of historical significance, and the current use of the building for lectures, meetings, and private events contributes to the character of the community

Phase 1 work is the same as outlined in the 2015 application including: roof repair, gutters and leaders, siding and trim, foundation repair, electrical system upgrade, basement entry gable, repair/replacement of porches and stairs and the removal of an exterior brick chimney that is no longer used

FISCAL IMPACT: There is no impact to the General Fund. All funds are drawn from the Community Preservation Act, Historic Preservation Funds

INTRO: 03/23/17

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Lindsey Counsell, Chair Community Preservation Committee
DATE: March 23, 2017
SUBJECT: Appropriation and Transfer Order in the amount of **\$54,100** Community Preservation Funds for the Federated Church of Hyannis Burial Ground

BACKGROUND: The Federated Church of Hyannis is seeking approval from the Town Council through the Town Manager for CPA historic preservation funding in the amount of \$54,100 for Phase I work including: inventory, mapping and assessment of the condition of between 300 to 380 gravestones in the Universalist Cemetery located on the grounds of the Federated Church of Hyannis; and, to replace and extend the current fencing to provide better protection. The burial ground is listed with the Massachusetts Historical Commission as a historic burial ground with gravestones mainly from the 1800's when Hyannis was a thriving maritime village with many sea captains, early settlers of Hyannis, and war veterans buried here. Restoration of the cemetery will provide the public with another historic space to learn about local history. The inventory, mapping and assessment will serve as a basis for requesting quotes from cemetery conservators and will also provide a necessary component in application for National Register of Historic Places designation which would open up additional sources of grant opportunities.

ANALYSIS: Appropriation as requested will commence preservation and rehabilitation of the historic burial ground.

FISCAL IMPACT: This appropriation has no impact on the general fund since the entire amount is appropriated and transferred from the community preservation fund.

TOWN MANAGER RECOMMENDATION: The Town Manager recommends acceptance of this appropriation

VOLUNTEER STAFF ASSISTANCE: Lindsey Counsell, Chair, Community Preservation Committee.

ITEM# 2017-108
INTRO: 03/23/17

SUMMARY

TO: Town Council
THROUGH: Mark S. Ells, Town Manager
FROM: Ruth Weil, Town Attorney
DATE: March 23, 2017
SUBJECT: Moratorium on Recreational Marijuana Establishments and Marijuana Retailers

RATIONALE: By vote at the State election on November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for recreational purposes. The law had provided that it is effective on December 15, 2016 and the Cannabis Control Commission was required to issue regulations regarding implementation by September 15, 2017. Thereafter, Chapter 351 of the Acts of 2016, approved by the Governor on December 30, 2016 and effective immediately as an emergency law, extended the time period for the issuance of regulations by six months until March 15, 2018. (Section 11 of Chapter 351 of the Acts of 2016)

The regulation of recreational marijuana establishments and marijuana retailers raises novel and complex public safety, health, planning and legal issues. This proposed moratorium allows the Town time to engage in a thoughtful planning process in a responsible and deliberate way, with the benefit of the regulations from the Cannabis Control Commission, which regulations, once promulgated, will provide guidance to municipalities regarding the implementation of the ballot question.

The proposed moratorium would be in effect until June 30, 2018, unless further extended.

ITEM # 2017-110
INTRO: 03/23/17

SUMMARY

TO: Town Council
FROM: Mark S. Eells, Town Manager
THROUGH: Lynne M. Poyant, Director of Community Services
DATE: March 23, 2017
SUBJECT: Acceptance of grants totaling **\$850** to the Barnstable Youth Commission from Barnstable Police - Mass Cop, Barnstable Police Association and Barnstable Professional Firefighters Association to support the 2017 Youth Summit and Community Substance Abuse Prevention Forum.

RATIONALE: The Barnstable Youth Commission (BYC) has received grants of \$500 from Barnstable Police – Mass Cop, \$250 from the Barnstable Police Association and \$100 from the Barnstable Professional Firefighters Association. These funds will be used to fund door prizes at this year’s Seventh Grade Youth Summit which was held on March 17, 2017.

For the past two years, the Barnstable Youth Commission successfully held its annual Seventh Grade Youth Summit and Community Substance Abuse Prevention Forum. These two events endeavored to brief students about the serious dangers of drug and alcohol abuse concerns whilst simultaneously educating parents and community leaders on the detrimental effects that they can have as well. The Youth Commission strived to locate speakers who were engaging, educated, and well-versed in their topics. The Commission specifically aimed to have speakers, for the students, who did not lecture for lengthy periods of time and got them actively involved in the subject matter. Following the widespread success and media coverage of the summit, the Youth Commission planned to continue the event for the indefinite future. In order to get all students together at the same time, the Youth Commission moved the events to Cape Cod Community College. As it is the College’s vacation week, the Youth Commission has full use of the College Campus. The Youth Summit is a full school day of activities with provided lunch for all Youth Summit participants. First Student Bus has also generously provided transportation to and from Barnstable Intermediate School and the College.

This year’s featured speaker was **Chris Herren, a basketball legend from Fall River, Massachusetts**, who dreamed of one day playing for his hometown team, the Boston Celtics. An All-American, Chris broke scoring records, was recruited by top colleges, featured in Sports Illustrated and became the focus of an acclaimed book, *Fall River Dreams*. Herren realized his lifelong dream of playing in the NBA when he was drafted by the Denver Nuggets in 1999 and was traded to the Boston Celtics after his rookie season, but lost it all due to substance abuse. **Alcohol and drug-free since August 1, 2008**, he has refocused his life to put his sobriety and family above all else. He shared his harrowing story of abuse and recovery in his memoir, *Basketball Junkie*, as well as in numerous interviews throughout the Emmy nominated ESPN Films documentary *Unguarded*, of which he is the subject. A tale of descent into addiction, a miraculous recovery and his new life mission: to share his story with audiences in the hopes of reaching at least one person and making a difference in their life.

During the Youth Summit, students are encouraged to visit the tables of almost twenty vendors who share information about their programs and services available to them. Each student is provided with a “bingo card” that they then get stamped by the vendors. The completed card is turned into the

Barnstable Youth Commission table where they are entered into a raffle for door prizes (i.e. a mini iPad, GoPro cameras, etc.).

The Barnstable Youth Commission is extremely grateful for the generous gifts from our community partners from Barnstable Police – Mass Cop and the Barnstable Police Association in support of the 2017 Youth Summit.

FISCAL IMPACT: There is no immediate financial impact to the Town’s operating budget as a result of accepting this grant.
