2020 Waterways Committee meeting dates

Dates were approved by Waterways. Mr. Cross said December 22, 2020 and November 24, 2020 could be an issue with him. No other issues mentioned. Changes can take place if needed.

Correspondence:

- I. Paul Grover e-mail regarding the barge in Cotuit
- II. Charlene and Charles Nickson e-mail regarding the barge in Cotuit

Waterways Staff was notified of the correspondence. Mr. Cross said he did not receive it and wanted it resent.

Harbor Master Report: Mr. Taylor stated the Harbormasters office sold 433 small vessel decals. Compliance was met by almost all individuals using Town landings if compliance was not met the vessels were removed by staff. Mr. Taylor gave an example of how the small vessel decal provided information to contact and identify a small vessel floating in Centerville River. This case saved the Town of Barnstable and United States Coast Guard money and resources. As of Oct 2019, there were 2304 moorings permitted. A mooring was offered in every single mooring field. Some locations do not get refilled do to moorings being outside of designated mooring areas. Aids to

Navigation will be starting to haul out November 1.

Adjournment:

There being no further business, a motion by Peter Cross to end the meeting seconded by Robert Hazelton and the meeting adjourned at 8:39 PM.

Respectfully submitted,

Brian W. Taylor, Deputy Harbormaster/Mooring Officer (12/17/2019)
