SUMMARY OF ALL APPROPRIATED FUNDS

The total proposed FY17 operating budget for the town of Barnstable's appropriated funds is \$181,364,196. This is a decrease from the FY16 budget of \$125,157. In addition to the General Fund, this figure includes the town's eight Enterprise Fund operations. These funds comprise the town's annually appropriated funds. The decrease is attributable to the large reduction in the Airport Enterprise Fund, a reduction in the amount transferred to the Capital Trust Fund and a reduction in snow removal costs in FY16.

Another way to look at the overall budget is to compare the change year-over-year net of transfers, as transfers are not direct expenditures for personnel services or operating expenses. Excluding transfers from the budget results in a FY17 budget increase of \$3,553,931 or 2.07%. The budget increase includes a net of 11.40 new full-time equivalent (fte) positions; 12.95 in the General Fund offset by a reduction of 1.55 for all of the Enterprise Funds. The School Department's fte are increasing by 6.25 and the Municipal Operations by 6.70 fte. The Airport Enterprise Fund's fte are decreasing by 2 and the Enterprise Funds under the Public Works Department are increasing .45 fte.

Eliminating snow removal costs from the budgets provides one more way to view the budget. Since these costs can vary significantly from year-to-year it provides a better picture of the recurring operating costs. Removing these costs reveal that the overall operating budgets are increasing \$4,655,718 or 2.75%.

The General Fund accounts for revenues and expenditures necessary to provide general governmental services. By definition, all financial resources that are not required to be accounted for in other funds are accounted for in the General Fund. This is the fund that receives all property tax revenue except for property tax surcharges for the Community Preservation Act. User fees primarily support the Enterprise Funds. Residents that access these services pay a fee to support the operation. The fees charged by the Enterprise Fund operations are set at levels, which should allow them to cover all operational and capital costs unless a general fund subsidy is provided.

The General Fund budget is increasing \$156,395 in FY17. This includes transfers and snow removal costs. Removing those costs result in a General Fund budget increase of \$5,037,392 or 3.53%. Municipal operations are increasing \$1,315,368, education expenditures are increasing \$2,122,273 and fixed costs are increasing \$1,599,751. Major factors contributing to the increase in the overall budget are contractual labor obligations, an increase of 6.25 full-time equivalents in the local school operations, the addition of 6.70 full-time equivalents in the municipal operations, wage increases for seasonal employees to meet state minimum wage requirements, seasonal Community Service Officers in the Police Department, additional funds for materials and supplies in Public Works, an increase for operating capital in the municipal operations, an increase in pension and healthcare costs, program enhancements in the School Department for preventative maintenance, textbooks and a K-5 reading program, and an increase in debt service.

The large reduction in the Airport Enterprise Fund budget is due to the bankruptcy filing of Island Airlines. This company accounted for approximately 25% of the Airport's fuel sales as well as other airport revenues. As a result, the airport will require less funding for fuel purchases and two full-time positions will be eliminated.

The increase in the Water Pollution Control Enterprise Fund budget is due to an increase in operating expenses, employee benefits, and debt service.

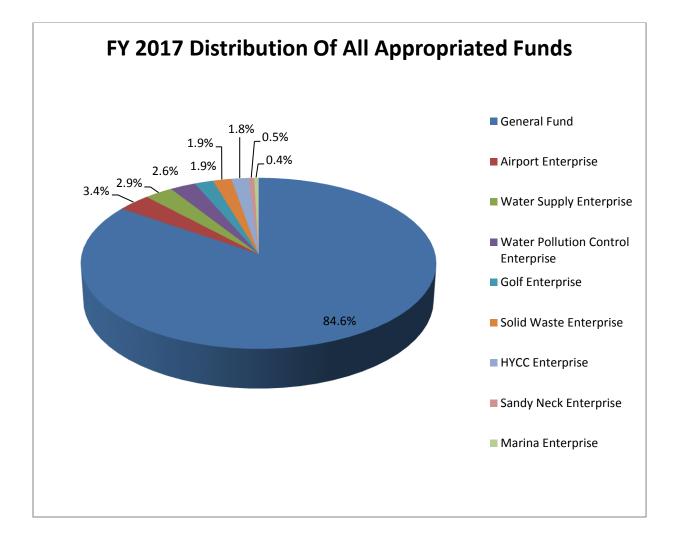

The Water Enterprise Fund budget is increasing primarily due to an increase in the management contract for operating the system, additional funding to purchase water from the town of Yarmouth, if needed, and funding to maintain the new carbon filter treatment system.

The Solid Waste and HYCC enterprise fund budgets are increasing mainly due to contractual salary increases and increases in employee benefit costs.

The Golf Course Enterprise Fund is increasing due to contractual pay increases, an increase in the minimum wage for seasonal employees, funding for a marketing analysis, pump replacement, and an increase in debt service.

The Sandy Neck Enterprise Fund is increasing due to contractual labor obligations, seasonal employee wage increases, additional funds for the purchase of merchandise for resale, and funding for improvements to the gatehouse.

The Marina Enterprise Fund is increasing mainly due to an increase in debt service for bonds issued in FY16 with the first payments due in FY17.

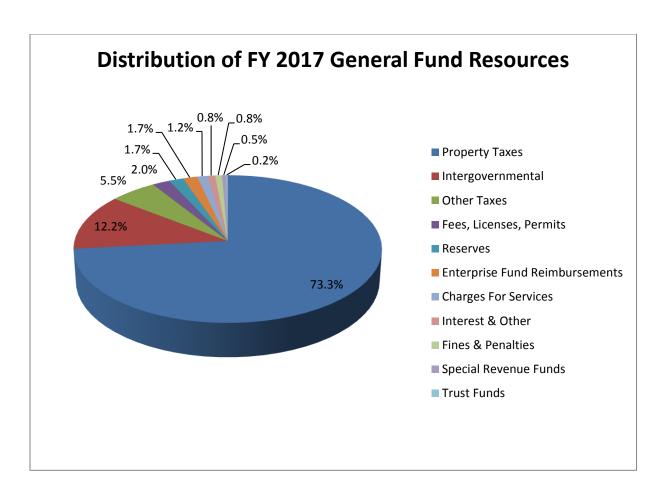

The General Fund comprises 85% of all spending for the funds requiring annual appropriation. The airport is the largest enterprise fund and comprises 3.4% of all spending.

Overall, the total General Fund resources used to balance the FY17 budget are essentially level with the FY16 budget. A significant amount of reserves were used to balance the FY16 budget as some were transferred to the Capital Trust Fund to enhance the town's capital program and there was a significant snow removal deficit included in the FY16 budget.

In FY17, property taxes are projected to increase \$3.7 million. Excluding reserves, 65% of the revenue growth for FY17 is from property taxes, 18% from intergovernmental resources and the remaining 17% from other local sources. A change in the Chapter 70 education funding formula results in a larger increase in intergovernmental aid for the town in FY17. Of the \$1,041,678 increase in intergovernmental revenue, \$929,875 is from Chapter 70 aid. Reserves used to balance the budget will decline significantly by \$5.6 million as will the corresponding expenditures funded from here, which include snow removal and transfers to the Capital Trust Fund.

Property and other taxes provide 79% of the resources used to balance the general fund operating budget. Intergovernmental aid provides 12% of the total resources with all other categories providing the remaining 9%.

Property Taxes. The tax levy is projected to grow consistent with the provisions of Proposition 2½ and the Town Council's budget policy. No property tax overrides are proposed for FY17 to balance the operating or capital budgets. The FY17 tax levy is projected to grow by \$3,696,607 over the FY16 tax levy. The projected tax levy is calculated as follows:

FY16 Base Tax Levy	\$ 108,645,163	
Prop 2.5 Allowable Increase Estimated New Property Tax Growth	2,716,129 900,000	(2.5% of FY16 Base)
Cape Cod Commission Environmental Tax	580,286	
Voter Approved Debt Exclusions	1,402,097	_
FY17 Estimated Maximum Allowable Tax Levy	\$ 114,243,675	_
Tax Levy Ceiling	\$ 328,572,284	_(2.5% of town's equalized property value)
Excess Levy Capacity	\$ 214,328,609	(Can only be accessed with voter approval)

Proposition 2 ½ places constraints on the amount of taxes levied by a city or town as well as how much the levy can increase from year-to-year. In addition, no community can levy more than its tax levy ceiling, which is equal to 2.5% of the total full, and fair cash value of all taxable real and personal property in the community. Barnstable's tax levy ceiling is \$328,572,284. This is \$214,328,609 more than the estimated FY17 maximum allowable levy of \$114,243,675. The excess levy capacity can only be accessed with property tax overrides approved on a ballot by the voters.

A total of \$1,700,000 of the estimated FY17 tax levy will be set aside for property tax abatements and exemptions leaving a net amount of \$112,543,675 available to fund the FY16 operating budget.

Motor Vehicle Excise. This tax is authorized by Massachusetts General Law, Chapter 60A, Section 1. The excise tax is calculated by a formula of \$25 per \$1,000 of valuation. Valuation is based on a percentage of the manufactures suggested retail price (MSRP) which declines every year. This revenue source is projected to grow by 6.6% in FY17 as billings have increased.

Boat Excise Tax. This has always been a relatively small revenue source for the town and is set at \$10 per \$1,000 of valuation by the state. Boat excise has not experienced the increases that motor vehicle excise has in recent years and this revenue source is estimated to be flat. The state imposes a maximum taxable value of \$50,000 on vessels resulting in the largest tax bill being \$500.

Motel/Hotel Excise Tax. The Massachusetts Legislature enacted the Motel/Hotel Tax in 1985 as a local option excise tax on hotels, motels, and lodging houses ("bed and breakfasts"). The Commonwealth administers the tax by collecting the local option portion from business establishments and sending them back to the cities and towns on a quarterly basis. The local option tax was capped at 4% until recently. Cities and towns now have the option of increasing the local portion to 6%. The Town of Barnstable recently adopted this increase in July 2010. The revenue collected from the additional 2% has been dedicated for sewer expansion projects and certain qualifying private road improvements. This revenue source is estimated to be level with the FY16 amount.

Payments in Lieu of Tax (PILOT). The Barnstable Housing Authority, a tax-exempt entity, provides an annual payment to the town. This is the only PILOT the town receives.

Intergovernmental. This category of revenue consists of several state aid classifications. Most notably are CH70 aid for education and unrestricted general government aid.

Fines & Penalties. This category is comprised of various charges by the Police Department (false alarms, and non-criminal violations), Town Collector and Treasurer (interest and penalties on the late payment of taxes).

Fees, Licenses, Permits. This category is comprised of various fees charged by the cemetery operations (burial, administration, and monument fees), Town Clerk (copies of vital statistics), Police Department (alarm registration), Regulatory Services Department (building electrical & plumbing permits, beverage

licenses, rental property registration, and rental car surcharges), and Town Collector (municipal lien certificates).

Charges For Services. This category is mainly comprised of recreational revenues (beach stickers and beach parking) and police outside detail services.

Interest and Other. This category is mainly comprised of revenue from renewable energy projects and investment income. The renewable energy projects generating revenue include the solar arrays at the transfer station in Marstons Mills and the airport. Interest income depends almost entirely on the timing and amount of revenue collections, expenditure disbursement, interest rates and the investment vehicles available to the town.

Special Revenue Funds: This category includes revenue from embarkation fees, the Community Preservation Fund, parking fees collected at Bismore Park, mooring fees and conservation fess collected under the Wetlands Protection Act. These fees are all required to be accounted for with the town's special revenue funds. The town then transfers a sum annually out of the special revenue fund to balance the general fund operating budget.

Enterprise Funds: For cost efficiency reasons, administrative orderliness, and the inability to be invoiced separately, several items are budgeted and managed within the town's general fund operations, which subsequently must be allocated to the enterprise funds. These costs include items such as pension assessments and property and casualty insurance. In addition, the enterprise funds are charged a service fee for support they receive from certain general fund operations such as finance, human resources and information technology. The FY17 reimbursements from the enterprise funds are as follows:

Indirect Charges		
Airport Enterprise Fund	\$	817,344
Golf Enterprise Fund	\$	399,140
Solid Waste Enterprise Fund	\$	303,625
Waster Pollution Control Enterprise Fund	\$	444,872

Marina Enterprise Fund	\$	61,044
Sandy Neck Enterprise Fund	\$	86,520
HYCC Enterprise Fund	\$	322,830
Total Enterprise Funds	\$2	2,560,007

Trust Fund. The Town maintains a Pension Reserve Trust Fund, which it utilizes every year to offset the pension assessment received from the County Retirement System.

General Fund Reserves: The town will use \$2,585,000 in general fund reserves to balance the FY17 operating budget. The town has historically been able to generate more reserves than what it has used to balance the budget due to conservative revenue estimation and unexpended appropriations. The town expects to generate a surplus in excess of \$2 million in FY16, which will offset a significant portion of what will be used in FY17 to balance the budget. In addition, most of the costs being paid for with surplus are not recurring operating costs. The surplus will be used to finance the following costs:

\$1,500,000 for FY16 snow removal cost that exceeded the FY16 budget \$585,000 for health insurnace mitigation for employees \$200,000 for retiree sick leave buyback \$300,000 for the Town's self-insured unemployment expense

These costs are not expected to be repeated with any certainty. Snow removal costs are dependent upon the weather and FY16 was a modest year for the town compared to FY15. FY17 will continue with the agreement to use reserves to mitigate increases in co-pays and deductibles for employee health insurance. There are several departments with anticipate retirements in FY17 which may require a sick leave buyback payment in accordance with labor contracts and the Town has always used reserves to fund its self-insured unemployment insurance program.

The municipal operations budget is increasing \$213,581 or 0.57%. This includes a reduction of \$1,101,787 in snow removal costs from the prior year. This is included in the Public Works Department budget. Excluding the snow removal costs from recurring operations results in an increase of \$1,315,368 in the municipal operations, or 3.8%. As this cost is included in the Public Works Department budget, removing it from there results in an increase of \$344,782, or 4.2% for that department. Total spending on education is increasing \$2,122,273 or 3%. Local school operations are increasing \$1,800,000 while assessments from other districts are increasing \$322,273 collectively. Fixed costs are increasing 4.4% or \$1,599,751 with a majority of the increase attributed to employee benefits and debt service. Transfers to other funds are declining by almost \$3.8 million as the FY16 budget included a transfer of \$4 million to the Capital Trust Fund, which is not repeated in the FY17 proposed budget.

Summary of Significant Budget Changes

The FY17 proposed budget is decreasing \$1,822,324 or 23%. Personnel and benefit costs are decreasing a modest 0.76%, which includes all contractual pay increases and the reduction of two full-time positions. Operating expenses are decreasing \$1,621,667 or 32.9% primarily caused by a reduction in fuel sales of approximately 250,000 gallons due to the Island Airlines bankruptcy, a reduction in the number of leased fuel trucks, the termination of the contract with the airport Air Service Development consultant, and a reduction in the cost of electricity. Capital outlay is down 87% due to budgetary deferrals of routine maintenance and vehicle replacements.

Revenue generated by airport operations will cover the FY17 proposed operating budget. The Airport continues to generate a significant amount of revenue from its jet fuels sales. FY17 revenue from fees, licenses and permits includes the new revenue from the renewable energy solar array projects and is expected to be at least 29% above the minimum annual guaranteed revenue. The enterprise fund will use \$155,000 in reserves and \$318,650 in borrowing authorizations for the FY17 capital improvement program. Grants are anticipated for \$6,150,000 for the FY17 capital program.

APPROPRIATION ORDER 2016-121

ORDERED:

That the sum **\$6,093,528** be appropriated for the purpose of funding the Town's FY 2017 Airport Enterprise Fund budget, and to meet such appropriation that **\$6,093,528** be raised from current year revenues by the airport enterprise fund as presented to the Town Council by the Town Manager.

Note: The appropriation order is \$2,930,115 less than the budget of \$66,050,000 as the budget includes, \$2,091,115 of Circuit Breaker funding, \$225,000 of Transportation Fees Funding, and \$614,000 of School Choice funding, which do not require Town Council appropriation.

Summary of Significant Budget Changes

The FY17 proposed budget is \$1,800,000 more than the FY16 approved budget representing a 2.8% increase. The increase provides for the contractual pay increases for all department staff. In addition, 6.25 positions are being added due to the addition of a new Crossroads Classroom and increasing the ELL teaching staff at Hyannis West, BUES, & BIS. Additional funding is provided for athletics (\$92,215), preventative maintenance (\$50,000), high school textbooks (\$24,000) and a reading program for grades K-5 (\$230,306). The budget for utilities is being reduced by \$50,000 to offset a portion of proposed increase.

APPROPRIATION ORDER 2016-122

ORDERED:

That the sum **\$63,119,885** be appropriated for the purpose of funding the Town's FY 2017 Barnstable Public Schools budget, and that to meet this appropriation that **\$63,119,885** be raised from current year revenues as presented to the Town Council by the Town Manager.

Summary of Significant Budget Changes

The FY17 proposed budget is increasing \$93,471 or 0.70%. Several retirements in FY16 will mitigate the budget increase in this department for FY17. All retired sworn officer positions are being filled. Personnel costs are increasing \$131,067, which includes all contractual obligations, an additional \$32,000 for overtime and \$48,960 to support six new seasonal Community Service Officers. There are no proposed staff changes to full-time positions.

Operating costs are decreasing \$21,036. Training academy funds of \$179,000 included in the FY16 budget are not repeated in the FY17 budget as the town was able to obtain slots in the Police Academy in FY16 for all new officer hires. Additionally, the budget for gasoline in FY17 is reduced by \$42,000 as the fuel bid for FY17 was more favorable. Additional funding of \$200,000 is being provided in FY17 for officer training (\$98,000), uniforms (\$12,000), cell phone and air card services (\$54,000), software & hardware maintenance (\$33,000) and \$3,000 for vehicle maintenance equipment.

Capital Outlay includes \$270,000 of funding for 6 new patrol vehicles, \$38,000 for computer hardware and software and \$15,000 for Tasers.

Taxes provide most of the funding support for this department and will increase by \$141,000 for FY17. Funding from fees will increase \$50,000 as many alarm registrations will be up for renewal.

APPROPRIATION ORDER 2016-123

ORDERED:

That the sum of **\$13,392,590** to be appropriated for the purpose of funding the Town's FY 2017 Barnstable Police Department budget; and to meet such appropriation that **\$13,342,590** be raised from current year revenues and that **\$50,000** be transferred from the Embarkation Fee Special Revenue Fund as presented to the Town Council by the Town Manager.

COMMUNITY SERVICES DEPARTMENT GENERAL FUND

(1) Employee benefits are not included in the department's appropriation and are allocated for informational purposes only.

Summary of Significant Budget Changes

The FY17 proposed budget is increasing \$404,348 or 14.2%. Personnel costs are increasing \$364,598, which includes all contractual obligations, state's minimum wage increase requirements, and 4.75 new full-time equivalent (fte) positions. The new fte's include 3.25 for the Adult Supportive Day Program, 1 fte for reestablishing the Assistant Director's position in recreation and increasing a part-time Animal Control Officer to full-time. The minimum wage increase will contribute \$67,800 to personnel cost. The Aquatics program is requesting \$23,000 in personnel cost to restore Hamblin's Pond staff.

Operating expenses are increasing by \$24,250 or 7% largely attributed to the Adult Supportive Day Program (\$14,000). Senior Services will also receive a \$3,000 increase for postage to support its "Compass" newsletter. An additional \$14,000 is provided to the Marine & Environmental Affairs Division for its educational outreach initiatives and \$9,000 for aids to navigation upgrades. There are reductions to operating cost from favorable savings in gasoline and diesel contracts for \$1,500, and mobile on-line registration services for \$5,250.

Capital Outlay costs are increasing by \$15,500 or 25%. Marine & Environmental Affairs is requesting funds to a purchase replacement vehicle and outboard motor in the amount of \$35,000 and \$7,000. Recreation requested funds for playground equipment maintenance for \$6,500 and \$29,000 aquatic equipment replacement.

Charges for services will increase \$190,000 to offset a portion of the budget increase. This is derived from fees charged by the Adult Supportive Day Program and a \$5 increase in the beach-parking permit. Tax support will increase \$230,798 or 23% over the FY16 amount.

APPROPRIATION ORDER 2016-125

ORDERED:

That the sum of **\$3,262,086** is appropriated for funding the Town's FY 2017 Community Services Department General Fund budget, and to meet such appropriation, that **\$2,974,086** be raised from current year revenue and that **\$288,000** be transferred from the Waterways Special Revenue Fund as presented to the Town Council by the Town Manager.

Summary of Significant Budget Changes

The Golf Course Enterprise Fund FY17 proposed budget is increasing \$188,276 or 5.8%. Personnel cost are increasing \$79,974 and includes \$21,430 in funding for minimum wage increases, an additional \$2,000 for overtime and all contractual obligations.

Operating costs are increasing \$14,221 and includes \$25,000 for a market analysis for the Hyannis Golf Course. This is partially offset by reductions to other operating expense line items.

Capital outlay includes \$27,000 to purchase a water pump at Olde Barnstable. Debt service is increasing \$34,511 as new loan payments are due to cover the FY16 bond issue. The FY17 indirect costs charges to the golf course from the general fund total \$399,140. The golf course will pay \$250,000 from their estimated revenue resulting in a general fund subsidy of \$149,140, which is an increase of \$23,542 over the FY16 amount.

The proposed budget includes using \$96,296 of reserves to balance the budget. This will cover the onetime expenses for a market analysis and pump replacement as well as a portion of the increase in debt service. A bond authorization of \$565,000 will pay for the FY17 capital program.

APPROPRIATION ORDER 2016-126

ORDERED:

That the sum of **\$3,282,041** to be appropriated for the purpose of funding the Town's FY 2017 Golf Course Enterprise Fund budget; and to meet such appropriation that **\$3,185,745** be raised from current year revenues by the Golf Course enterprise operations and that **\$96,296** be transferred from the Golf Course Enterprise Fund reserves, as presented to the Town Council by the Town Manager.

Summary of Significant Budget Changes

The Marina Enterprise Fund FY17 proposed budget is increasing \$93,672 or 13.3%. Personnel costs are increasing by \$4,508 and include additional funding for minimum wage increases (\$9,500) and all contractual obligations. Savings from staff turnover will offset a portion of the salary increases.

Debt service payments have increased significantly by \$128,433 due to the recent bulkhead and dredging projects. Operating cost has been reduced by \$34,542 and capital outlay by \$5,000 in order to mitigate the large increase in debt service payments.

Funding for this operation includes a transfer of \$30,000 from the Bismore Park Special Revenue Fund and \$60,031 from the Capital Trust Fund. \$46,172 of reserves will be used to balance the FY17 proposed budget, and the capital program of \$500,000 will be financed with a bond authorization.

Summary of Significant Budget Changes

The FY17 proposed budget is increasing \$172,202 or 6.5%. Personnel costs are increasing \$165,752. This includes all contractual obligations, \$6,000 for securing the Crocker Neck Gate conservation area, increasing a Hazardous Material Specialist from part-time to full-time for a cost of \$25,500, increasing a Health Inspector's hours to 30hr/wk costing \$17,440 and \$68,800 for Bismore Park Gateway Greeters.

Operating costs are increasing \$12,450 for supplies and materials including additional flu vaccine. This is offset by a reduction of \$6,000 in the parking ticket-processing contract.

Tax support is increasing \$78,518. Additional funding is being provided from the Bismore Park Special Revenue Funds to offset the costs of the Gateway Greeters. Fees are increasing \$29,100 as a result of increases in the Health Division fees as approved by the Board of Health.

APPROPRIATION ORDER 2016-130

ORDERED:

That the sum of **\$2,805,050** be appropriated for the purpose of funding the Town's FY 2017 Regulatory Services Department budget, and to meet such appropriation, that **\$2,616,950** be raised from current year revenue, and that **\$45,000** be transferred from the Wetlands Protection Special Revenue Fund, and that **\$143,100** be transferred from the Bismore Park Special Revenue Fund, as presented to the Town Council by the Town Manager.

Summary of Significant Budget Changes

The Department's FY17 proposed budget is decreasing \$757,005 or 6.65%. This includes a reduction of \$1.1 million in snow removal costs. Excluding snow removal, the budget is increasing \$344,782, or 4.2%.

Personnel costs are increasing \$247,782, which includes all contractual obligations and 2 new FTE's for the Highway Division. This has been offset by a reallocation of .45 FTE's for one position to be shared with the enterprise fund operations.

Operating costs are increasing a net of \$77,000 when excluding snow removal expenses. New contracts for diesel fuel and gasoline will save \$33,000 and electricity costs are reduced by \$20,000. An additional \$130,000 is provided for operating cost increases including \$36,000 for solid waste disposal, \$7,000 for contracted services, \$20,000 for asphalt materials, \$7,000 for traffic signals, \$10,000 for software licenses, \$30,000 for vehicle maintenance and \$20,000 for catch basin cleaning.

Capital outlay of \$636,000 will continue to level fund vehicle replacements at \$500,000, \$116,000 for building improvements and equipment replacement and \$20,000 to fund the Stone Park landscape installation project.

Tax support will increase by \$337,712 in FY17 to cover the additional funding provided. General fund reserves used to fund the budget are decreasing by \$1.1 million to \$1.5 million as the snow removal deficit for FY16 was much lower than the previous year.

APPROPRIATION ORDER 2016-131

ORDERED:

That the sum of **\$9,127,160** be appropriated for the purpose of funding the Town's FY 2017 Department of Public Works General Fund budget, and to meet such appropriation, and that **\$9,056,590** be raised from current year revenue, **\$45,570** be transferred from the Embarkation Fee Special Revenue Fund and **\$25,000** be transferred from the Bismore Park Special Revenue Fund, as presented to the Town Council by the Town Manager.

Summary of Significant Budget Changes

The FY17 proposed operating budget is increasing \$41,037 or 1.2%. Personnel costs are increasing \$54,695. This includes additional funding of \$43,500 for overtime to assist in covering a seven-day work schedule and all contractual obligations. There is also an increase in staff by 0.20 FTE to cover a shared position between the department's general fund and enterprise fund operations.

The Solid Waste Enterprise Fund FY17 proposed budget will use \$326,808 in reserves to cover the operating costs and \$700,000 of reserves for the capital program. A borrowing authorization of \$2,000,000 will pay for the balance of the FY17 capital program.

(2) This amount represents the net assets appropriated for the subsequent year's (FY16) capital program budget.

(3) This amount represents a reservation of funds to cover obligations arising from purchase orders or contracts that is chargeable to, but not yet paid from, a specific appropriation account.

(4) This represents the portion of the enterprise fund's cash in the town's treasury that has been appropriated for a specific capital expenditure which still remains unexpended as of June 30, 2015.

(5) These amounts represent liabilities that will be provided from future resources and not the net assets at the close of the fiscal year.

(6) This amount represents the deferred recognition of an outflow of resources related to future fiscal years.

(7) Amount certified by the Division of Local Services.

Summary of Significant Budget Changes

The FY17 proposed budget is increasing \$880,544 or 20%. The significant increase is due to four components. The operations contract is increasing \$154,200; a provision to purchase water from the town of Yarmouth is increasing \$125,000; a new line item of \$298,700 to maintain the carbon filter system and an increase in debt service for bonds issued to finance the system's capital program.

Estimated revenue for water charges are expected to cover all operating costs. The FY17 capital program proposes to use \$802,000 of the enterprise fund's reserves.

APPROPRIATION ORDER 2016-134

ORDERED:

That the sum of **\$5,270,312** be appropriated for the purpose of funding the Town's FY 2017 Department of Public Works Water Supply Enterprise Fund budget, and to meet such appropriation that **\$5,270,312** be raised from current year revenues by the Water Supply Enterprise Fund operations, as presented to the Town Council by the Town Manager.

Summary of Significant Budget Changes

The FY17 proposed budget is increasing \$13,083 or 5.22% over the FY16 approved budget. Personnel cost are increasing \$9,433. Operating expenses are proposed to increase \$3,650 to cover the cost of a Strategic Plan update as well as additional funds for advertising.

Funding for this operation is provided from taxes and enterprise funds. Enterprise fund support is decreasing \$21,321 and tax support will increase \$34,404. The increase in tax support is a combination of the budget increase and the reduction in enterprise fund support.

APPROPRIATION ORDER 2016-135

Summary of Significant Budget Changes

The FY17 proposed budget is \$37,037 more than the FY16 approved budget representing a 6.2% increase. The increase provides for the contractual pay increases for all department staff and a salary provision for the new Town Manager.

Funding for this operation is comprised of fees, enterprise fund support and taxes. Tax support will increase \$59,871. This is a combination of the budget increase and a reduction in enterprise fund support. The enterprise fund support is decreasing due to the formula used for allocating indirect support. A 5 year rolling average of town-wide expenditures is used for the allocation and the enterprise fund expenditures have declined on a percentage basis over the years; mainly due to smaller capital programs in the more recent years.

APPROPRIATION ORDER 2016-136

Summary of Significant Budget Changes

The FY17 proposed budget is increasing \$250,893 or 4.4% over the FY16 approved budget. Personnel costs are increasing \$137,793 mainly due to contractual obligations. This includes the reduction of \$18,956 for the elimination of a Property Management Coordinator position or 0.35 FTE.

Operating expenses are increasing \$79,100, which will fund the increased cost for software & hardware maintenance/licenses (\$30,100), cell phone services (\$15,000) and \$34,000 for a consultant to assist the Information Technology Division in evaluating options for a new telecommunications system for the town.

Capital outlay includes an additional \$34,000 for replacing the computer room/data center air conditioning system and \$105,000 for the continuation of software and hardware upgrades throughout the municipal operations managed by the Information Technology Division. One-time funding included in this budget totals \$68,000.

Tax support is expected to increase \$303,616 or 10.60% to cover the cost increases as well as the reduction in other funding sources.

APPROPRIATION ORDER 2016-137

ORDERED:

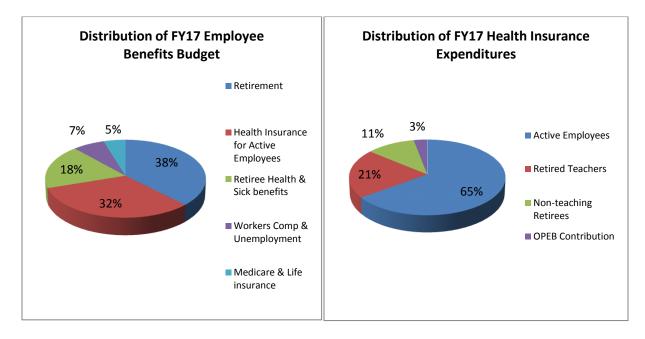

That the sum of **\$5,990,289** be raised and appropriated for the purpose of funding the Town's FY 2017 Administrative Services Department budget as presented to the Town Council by the Town Manager.

Employee Benefits

The budget for employee benefits totals \$22,362,912. Included in this amount is a charge from the Group Insurance Commission for retired teachers' health insurance for \$2,323,071. This amount is included on the Cherry Sheet the town receives from the state, which details all state aid and state charges. This charge does not need to be appropriated by the Town Council and is deducted from the employee benefits budget to arrive at the appropriation order amount of \$20,039,841.

Retirement assessments and health insurance account for a majority of the employee benefits expenditures. Health insurance for active employees accounts for 65% of the health insurance budget. The FY17 budget includes a payment of \$400,000 into the Other Post-Employment Benefits Trust Fund which is used to accumulate assets for benefits provided to employees upon retirement; specifically health insurance.

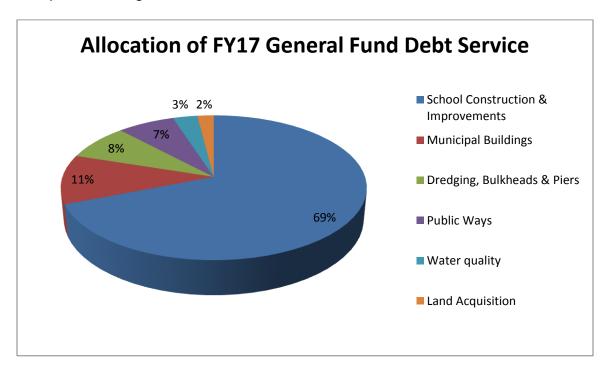

APPROPRIATION ORDER 2016-138 Employee Benefits

ORDERED:

That the sum of **\$20,039,841** be appropriated for the purpose of funding the Town's FY 2017 Employee Benefits budget, and to meet such appropriation, that **\$18,684,841** be raised from current year revenue, that **\$270,000** be transferred from the Pension Reserve Trust Fund, and that **\$1,085,000** be transferred from the general fund reserves, as presented to the Town Council by the Town Manager.

Debt service

The budget for general fund debt service includes the principal and interest payments on bonds issued to finance capital improvements excluding those for the enterprise fund operations. Principal and interest payments on bonds issues for the enterprise funds' capital improvements are part of the enterprise fund budgets.

A majority of the town's general fund debt service is for school related projects.

APPROPRIATION ORDER 2016-139 Debt Service

ORDERED:

That the sum of **\$9,172,108** be appropriated for the purpose of funding the Town's FY 2017 General Fund Debt Service budget, and to meet such appropriation, that **\$9,059,925** be raised from current year revenue, and that **\$59,283** be transferred from the Embarkation Fee Special Revenue Fund, and that **\$52,900** be transferred from the Bismore Park Special Revenue Fund, as presented to the Town Council by the Town Manager.

Grants

The town provides two grants; one for the seven village libraries and one for promoting tourism. The grant for the libraries is increasing 3.5% or \$59,990 and the tourism funding is increasing \$2,750 of 2.2% over the FY16 budget amount.

APPROPRIATION ORDER 2016-140 Grants

ORDERED:

That the sum of **\$1,900,990** be raised and appropriated for the purpose of funding the Town's FY 2017 Library and Tourism Grant budgets as presented to the Town Council by the Town Manager.

Other Fixed Costs

This area contains the remaining expenditures the town must provide for as part of its on-going operations which include assessments from other entities, insurance, transfers to the Capital Trust Fund and other items. Several of these charges are assessed to the town on the Cherry Sheet received from the state and do not require Town Council appropriation but they must be included in the budget.

APPROPRIATION ORDER 2016-141 Insurance, Assessments, Transfers and Other Fixed Costs

ORDERED:

That the sum of **\$9,070,842** be raised and appropriated for the purpose of funding the Town's FY 2017 Insurance, Assessments, Transfers and Other Fixed Costs budgets as presented to the Town Council by

the Town Manager, and that the following sums be transferred from the Town's Enterprise Funds for the purpose of reimbursing administrative, employee benefit and insurance costs budgeted within the General Fund:

Water Pollution Control	\$444,872
Solid Waste	\$303,625
Water Supply	\$124,632
Airport	\$817,344
Golf Course	\$250,000
Marinas	\$61,044
Sandy Neck	\$86,520

And further, that the sum of **\$1,500,000** be transferred from the General Fund reserves all for the purpose of funding the Town's FY 2017 General Fund budget as presented to the Town Council by the Town Manager.

Community Preservation Fund Budget and Minimum Set-Asides

Annually, the Town Council must approve a minimum set-aside for each program area within the Community Preservation Fund (CPF). The minimum set-aside is equal to 10% of the estimated revenue of the CPF. This amount for FY17 is \$393,660. Any remaining balance after the minimum set-aside is placed in a budget reserve and can be used for any program area within the CPF. The Town Council must also approve and administrative budget for the Community Preservation Committee. The proposed budget for FY17 is \$150,000; the same amount used for the past several years. Any remaining funds in the appropriation revert to the CPF's fund balance, or reserves. Additionally, the CPF must provide funding to pay the annual principal and interest payments on bonds issued to finance, any of its projects in addition to those issued under the former Landbank program.

APPROPRIATION ORDER 2016-142 COMMUNITY PRESERVATION FUND ADMINISTRATION EXPENSES AND FY 2017 PROGRAM SET-ASIDES

ORDERED:

That, pursuant to the provisions of G. L. c. 44B § 6, for the fiscal year ending June 30, 2017, the following sums of the annual revenues of the Community Preservation Fund be set aside for further appropriation and expenditure for the following purposes: **\$393,660** for open space and recreation; **\$393,660** for historic resources; **\$393,660** for community housing; **\$418,896** for a budget reserve, and that the sum of **\$150,000** be appropriated from the annual revenues of the Community Preservation Fund for the administrative expenses for the Community Preservation Committee, to be expended under the direction of the Town Manager, or the Community Preservation Committee with the prior approval of the Town Manager.

APPROPRIATION ORDER 2016-143 APPROPRIATION ORDER FOR COMMUNITY PRESERVATION FUND FY 2017 DEBT SERVICE

ORDERED:

That the Town Council hereby appropriate **\$2,285,118** for the purpose of paying the FY 2017 Community Preservation Fund debt service requirements, and to meet such appropriation, that **\$2,186,724** be provided from current year revenues of the Community Preservation Fund and that **\$98,394** be provided from the reserve for the historic preservation program within the Community Preservation Fund.

Comcast Licensing Fees

The Town receives approximately \$775,000 per year from its cable license with Comcast. In accordance with the licensing agreement, the funds are restricted for use as they relate to public, educational and governmental programming activity. The town currently uses these funds to operate Channels 18 and 22. They were also used to finance the construction of a fiber optic network that was completed in FY14. The network connects 48 municipal facilities. This fund will also be used to self-insure the network. Annually, the Town Council authorizes the town Manager to expend these funds in accordance with the licensing agreement.

RESOLVE 2016-144 AUTHORIZING EXPENDITURE OF COMCAST LICENSING FEES FOR THE FUNDING OF THE PUBLIC, EDUCATIONAL AND GOVERNMENT (PEG) ACCESS CHANNELS

RESOLVED: That the Town Council hereby authorizes the Town Manager to expend funds for the FY 2017 operation of Public, Educational and Government access channels from licensing fees provided in the cable licensing agreement with Comcast, as signed by the Town Manager on June 8, 2008.
