  Parents should encourage their child to practice.
- Discipline is necessary on the ice at all times to ensure each participant gets the most from their lesson and practice session. Children must be able to listen and take direction.
- Parents will NOT be allowed near the lesson areas or on the ice at any time. Parents are asked to stay away from the glass and ice area so they do not attract the attention of the skaters. This will help prevent disruptions to the class.
- Attendance will be taken on the ice by the skating instructor during each class. <u>If the child</u> misses half of the classes, he/she will not be permitted to test. There are no exceptions to this rule. There are no make up classes.
- During show/exhibition rehearsals your child may only miss one rehearsal in order to participate unless otherwise noted by the Skating Director.
- IT IS VERY IMPORTANT THAT YOUR CHILD IS ON TIME FOR THEIR LESSON.
- The Hyannis Youth & Community Center strongly urges parents to stay during their child's lesson. In case of an emergency, it is beneficial to have the parent/guardian present.
- If your child comes off the ice and is cold, please have him/her remain in the warming house for 5-10 minutes or until warm before sending them back onto the ice.
- It is recommended that the participants practice their skills outside of their lesson. This
  may be done during public skating sessions. Schedules are available monthly in the rink
  rental room.
- Any cancellations due to inclement weather will be announced on the local radio stations, on our Facebook page, and our website. <u>Lessons that are cancelled by the Hyannis Youth</u> <u>& Community Center/HYCC SKATING SCHOOL will not be rescheduled.</u>
- NO REFUNDS WILL BE ISSUED AFTER THE FIRST SCHEDULED LESSON.
- Instructors reserve the right to move a child to the appropriate level class.
- Children in Kindergarten or 5 years old and first time participants should sign up for Badge 1.
- Any participant who has passed Pre-Freestyle can sign up for any advanced class (unless otherwise noted). They may also sign up to be a Skating Assistant if they are in Grade 5 or higher but they MUST be a CURRENT LTS participant. Please see Assistant Recreation Director, George Noonan for information.
