

NOTES FROM THE FIELD

SANDY NECK NEWSLETTER

September 2024

From the Staff,

September has arrived and we are officially in the last throws of summer.

We've had an exceptional year for the many species of protected wildlife on Sandy Neck and we have now reclaimed the entirety of the Off Road Vehicle Beach. We are now open to 4.5 miles of drivable beach.

A couple reminders; our speed limit will continue to be 5 MPH, fires may start at 7PM or sunset and curfew will remain 10PM. It's the perfect time of year to hike the Marsh Trail as the Diamondback Terrapin hatchlings are out in full force!

Upcoming Events!

September 4th 10AM-12PM: Hike for Terrapin Hatchlings

September 11th 10AM-12PM: SNK Fall Migration Hike

September 15th 9AM-12PM: Coast Sweep

Call the Sandy Neck Gatehouse for more information at 508-362-8300

A juvenile grey seal pup soaking up some rays on Sandy Neck. As the waters on the north side finally get warm you'll see many more grey and harbor seals seeking refuge from predators or just relaxing after a long day of fishing. Its always advised that if you see a seal to call the Sandy Neck Gatehouse and to stay a minimum of 150 away.

Important!

ORV Beach hours are 8:00am to 10:00pm. The Gatehouse is open from 9:00am - 9:00pm.
