

The Barnstable Bulletin

A MONTHLY TOWN OF BARNSTABLE NEWSLETTER

APRIL 2019

FROM THE TOWN MANAGER

Dear Reader:

Spring is in the air and new beginnings are around every corner. The DPW is starting their annual clean-up activities and economic activity is blooming all over town. We will look forward to watching things flourish as the season progresses.

We presented the Capital Improvements Plan to the Town Council on March 7th and the first public hearing is scheduled for April 4th. We will be submitting the Operating Budget to the Town Council in May.

Congratulations to the Barnstable Youth Commission on their successful 5th Annual 7th Grade Youth Summit. It is inspiring to see our youth taking a leadership role with such a challenging and life changing subject.

National Volunteer Week this year is recognized during April 7-13, 2019. This year's theme is "Volunteers Making A Difference Every Moment". On behalf of the Town of Barnstable, I would like to publicly thank all of those volunteers who give countless hours to serve on our various boards, committees and commissions. And where would we be without the dedicated volunteers who work with our Recreation Division's Beach Sticker/Parking Permit program? Or our Senior Services volunteers who do everything from greeting visitors at the front desk to driving the Silver Express van and Toyota Camry to helping prepare taxes during this time of year? Or those volunteers who work assisting our staff with our Shellfish propagation program? The Barnstable Police Department's Volunteers in Police Service (VIPS) is widely recognized as an outstanding volunteer program with volunteers serving at the front desk and as couriers and they are a vital part of the Hyannis Main Street and West Villages Police Substations. Barnstable Public Schools have hundreds of volunteers on a daily basis. We are truly grateful for all of you who give back to your community and we hope that you will continue to do so. Thank you for your service!

Happy Spring!

Mark Ellis

Fourth Quarter Real Estate and Personal Property Tax bills are due May 1, 2019.

The first commitment of 2019 Motor Vehicle Excise Tax bills were issued on February 22, 2019 and were due on March 22, 2019. There was also a commitment from 2018 issued at the same time. There are several commitments issued each year for the current year and also for prior years. These bills should be paid timely to avoid interest and penalties. If a bill is issued, it does not go away. You must pay the excise or file for an abatement with the Assessor's office if you no longer own the vehicle and should be done by the due date to avoid interest and penalties.

If you have any questions or concerns, please do not hesitate to call the Town Collector's office at 508-862-4054. Any questions regarding the abatement process should be directed to the Assessor's office at 508-862-4022.

Superintendent's Corner

Welcome to Spring! It's the time of year for growth and new beginnings. At Barnstable Public Schools, spring is a time when we are looking forward and planning for the next school year. School Administration and the School Committee are currently focusing on the 2019-2020 School Operating Budget and Capital Improvement Plan budget.

2019-2020 School Operating Budget

On April 3rd, the School Committee will vote to approve the 2019-2020 School Operating Budget. The budget process began in October 2018 and after the April 3rd vote by the School Committee, the budget will go to the Town Council for discussion and adoption. Over the past several months, the Deputy Director of Finance and I have discussed enrollment projections, student demographics,

operating resources, operating expenses, vacancies, and program reallocations and changes.

The school operating budget is proposed to be \$72,034,000, which is a 2.26% increase from last year's budget. A large portion of this increase will be allocated to employee contractual salaries and wages. A few key personnel requests include an Assistant Principal at Hyannis West Elementary School, a Project Based Learning Coach for the Barnstable Community Innovation School, and a Family Engagement Coordinator for our new registration center at Hyannis Youth and Community Center. Program changes include an elementary writing program, and continued updates to technology. The budget is developed based on the needs of the districts' students and how to best use the resources allotted to the School Department. We are committed to the learning and growth of all students while keeping the student's needs at the center of all decision making.

Capital Improvement Plan

The Capital Improvement Plan (CIP) involves all of the Town's departments submitting requests to the Town Administration. After a careful evaluation and ranking process by a task force, the recommendations are forwarded to the Town Manager. The top School Department projects to be considered by the Town Council include:

- Barnstable High School Environmental Lab
- Districtwide Communication, Video Surveillance & Entry Improvements
- Hyannis West Elementary School Roof Replacement
- Centerville Elementary School Roof Replacement
- Barnstable High and Intermediate Schools Top Unit Ventilator Replacement
- Centerville Elementary School Unit Ventilator Upgrades
- Barnstable High School Synthetic Turf Replacement
- Barnstable High School Sports Field Engineering and Upgrades
- Districtwide Mechanical Upgrades

After months of evaluating and reviewing budget requests, both in the School Department and with the Town Administrators, our budget planning is coming to fruition. I would like to thank Deputy Director of Finance Gareth Markwell, Director of Facilities David Kanyock, the School Committee, School Administration, and Town Administration for all their hard work and thoughtful conversations on making the Barnstable Public Schools a great place for our students and staff.

**Donald Gauland, Ink Painter, Art Exhibit
at Barnstable Town Hall, 2nd Floor meeting rooms
now through April 18th, 2019**

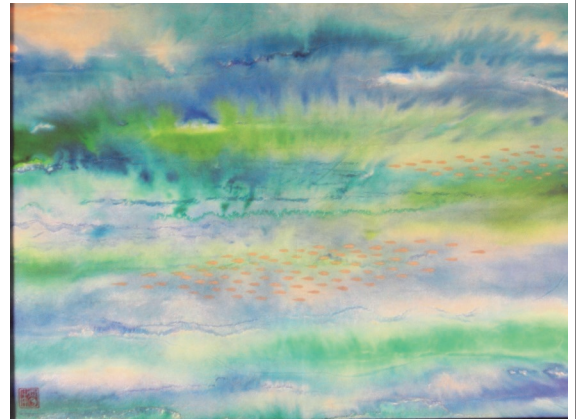

The "Art on Loan" program displays the works of local artists on meeting room walls in Barnstable Town Hall. Artwork by Donald Gauland is now on display in the Barnstable Town Hall, through April 18, 2019.

Donald Gauland is a self-taught artist and a passionate student of Eastern philosophy, who works principally in colored inks on mulberry paper and acrylic on canvas.

Donald's artistic journey began 1985 with watercolor collages. A life-long interest in Eastern philosophies and his practice of T'ai Chi Ch'uan and Chi Kung, he was inspired to work in ink and paint abstract expressions.

He paints with "chi (energy), jing (essence) and shen (spirit) to create abstract images of growth, stability, and balance." Each original painting is signed and dated with the Chinese year and stamped with his artistic seal.

In addition to painting, Donald plays alto sax and percussion in the Barnstable Town Band, as well as in the Cape Cod Concert Band and Cape Community Orchestra. He also enjoys improvisatory Irish sessions playing bodhran and rhythm bones. You will find Donald on the Hyannis Village Green every Wednesday in July and August during the Barnstable Town Band concerts. Donald and his wife will be in the Hyannis HyArts Artist shanties for a stay in June and then again in September.

His wife Janet is a percussionist in the Barnstable Town Band and is an artist as well, channeling her creativity as a jewelry designer.

The Barnstable Town Hall exhibit is open to the public and on display now through April 18, 2019, in the Barnstable Town Hall Hearing Room and Selectmen's Conference Room, 2nd Floor, Barnstable Town Hall, 367 Main Street, Hyannis. There is complimentary parking in the Town Hall parking lot. New this year is a requirement for those who store a dinghy or small vessel on Town land to purchase (and place on the vessel) a decal issued by the Harbormaster Division. The decal is for identification purposes and will allow us to not only better track what's being placed on Town land and by whom, but for safety purposes as well should the vessel go adrift.

The decal will be available Monday through Friday 8:30 AM - 4:15 PM at the Marine and Environmental Affairs Department located at 1189 Phinney's Lane, Centerville, MA 02632. Questions? Call 508-790-6273.

The price for the decal is \$25.00 for current Town of Barnstable mooring permit holders. For non-mooring permit holders, the cost is \$50.00.
