Dear Friends,

I hope 2020 is off to a great start for you! As we embark on this new decade together, we hope that you will set new goals for yourself to live a more active, engaged, and purposeful life. We have a wonderful array of classes and activities coming up in the next few months to help get you through the winter doldrums. Even if you don’t want to sign up for a specific class, you are always welcome to come in, grab a coffee, and spend some time in the lobby enjoying reading the paper, playing a game, and meeting new people. It can be all too easy during the cold winter months to stay indoors but it’s always good to get out and be active. Of course, we don’t recommend going out during severe winter weather conditions. Please remember that if the Barnstable Public Schools are closed due to inclement weather, the BACC programs will also be cancelled.

We’ve also got some fun social events and entertainment coming up, including a Valentine Tea on February 14th and the Friends of the Barnstable Council on Aging will host the always popular St. Patrick’s Day Luncheon on March 17th. If you haven’t attended the Annual Vietnam Veterans Recognition Ceremony in the past, I strongly encourage you to join us on March 27th for this truly moving and emotional event as the Cape Cod Vet Center invites our community to honor our local Vietnam Vets for their service and sacrifice.

Finally, I want to congratulate our longtime Outreach & Transportation Coordinator, Judy Redd, on her recent retirement. Judy was a dedicated Town of Barnstable employee and integral part of our team for the past two decades and wore many hats; in addition to overseeing our transportation program and her work in our Outreach Department, she also cooked for many of our special events over the years. It’s a bittersweet time for us as we wish our longest serving staff member a well-deserved retirement. We know that she will be missed by many of the clients that she helped over the years. Thanks for everything, Judy, and may your new chapter bring many new opportunities and adventures your way!

Come thrive with us!

Madeline Noonan, Director

Best wishes for your retirement, Judy!

Our cover picture for this issue features a fun “paint night” class that we offered recently, led by our fabulously talented art instructor Ann DesRoches. Pictured with Ann are Christine Kerwin and her granddaughter Paige, along with Pam Fantaroni and her granddaughter Kate. We have another “paint night” coming up on February 20th - this is scheduled during school vacation week so it’s the perfect opportunity for a fun and creative activity to do with your grandkids and create your own individual work of art that you’ll get to complete and bring home! The theme for this class will be a flamingo on a tropical island – that will provide a good escape to help overcome the winter blues!
Hello Friends,

We had our Annual Friends of the Barnstable Council on Aging meeting which was well attended. Thank you for coming. I’ll post old and new directors and officers on our bulletin board in the lobby for you. We presently have about 300 members. Those of you who signed up after October 2019 are good to go for 2020. Thanks to your membership and continued generosity, we have been able to help so many of our older citizens in Barnstable in 2019.

Did you know we have raised in excess of $750,000.00 since 1994! Wow! Our popular Calendar Raffle is underway. We’ll keep you posted on that.

Don’t forget to renew your membership if you haven’t yet. It means so much to so many.

Best wishes,
Stephanie Dannemann, President FBCOA

MEET ANNA VALTSAKIS, OUR COMMUNITY CENTER OMBUDSMAN

Our ombudsman is an advocate and a spokesperson for Barnstable Adult Community Center participants and guests. The purpose of this volunteer position is to act as an intermediary for those who may have issues, suggestions, complaints, etc. with programs and/or functions within the BACC. This position originated here in Barnstable, and to the best of our knowledge, is the only center in the state to offer it, although other Councils on Aging have shown interest in how we’ve structured this volunteer position.

Anna Valsakas is certified by the Commonwealth of Massachusetts as a Nursing Home And Rehabilitation Ombudsman, and brings these skills to us in order to be able to resolve your issues, should they arise. The Ombudsman will meet privately, usually by appointment, with such parties to hear the particular issue. Confidentiality is of prime importance.

Anna is a great listener! She will listen to the issues and concerns of our participants, and works with the Council on Aging and BACC staff to resolve any problems. She also educates parties regarding our guidelines for program participation, and the rules and regulations of the BACC.

Our Ombudsman holds a Master’s Degree in Public Administration, and has worked extensively with seniors. She continues her ombudsman duties in the local long-term care community. She is also a valued member of the Barnstable Council on Aging Board, and is serving as this year’s Vice-Chair. She can be reached through the front desk staff.

### TED Talks

**TED Talks: Does body language shape who you are?**
Body language affects how others see us, but it may also change how we see ourselves. Power posing can boost feelings of confidence, and might have an impact on our chances for success.

**TED Talk: Climate Change**
*The Case for Optimism on Climate Change:* In this spirited talk, Al Gore asks powerful questions about man-made forces threatening to destroy our planet and the solutions we’re designing to combat them.

*How the Military Fights Climate Change:* US Navy officer David Titley takes us from the catastrophe in Syria to the icy shores of Svalbard to show how the military approaches the threat of climate change, in a practical, nonpartisan take on climate preparedness.

*Why I Protest for Climate Justice:* At age 81, Jane Fonda is putting herself on the line for the planet. In a video interview with Fonda, she speaks about getting arrested multiple times during Fire Drill Fridays.

**TED Talk: Comedy**
*Kid President, I think we need a pep talk:* Kid President commands you to wake up, listen to the beating of your heart and create something that will make the world awesome. This video from SoulPancake delivers a soul-stirring dose of inspiration that only a nine-year-old can give.

*Did you hear the one about the Iranian-American?* A founding member of the Axis of Evil Comedy Tour, standup comic Maz Jobrani riffs on the challenges and conflicts of being Iranian-American.

**TED Talks: Travel**
*To the South Pole and Back, the Hardest 105 Days of my Life:* Explorer Ben Saunders set out to complete Captain Robert Falcon Scott’s failed 1912 polar expedition to Antarctica. Saunders offers a raw, honest look at a mission that brought him to the most difficult decision of his life.

*The Mysterious World of Underwater Caves*
Explore the hidden underground waterways coursing through our planet and unlock the history of climate change.

*What’s Left to Explore?* We’ve been to the moon, we’ve mapped the continents, and we’ve even been to the deepest point in the ocean. What’s left for the next generation to explore? Almost everything.

SHINE: TURNING 65 OR RETIRING?

Are you about to turn 65 in the next three to four months?

Did you know that you have to look into Medicare now, even if you’re not planning to collect Social Security benefits or intend to keep working at a job where you have insurance? If you are working or getting ready to retire, it’s important to know your insurance options and how to proceed.

SHINE volunteers are trained counselors who will help you make choices and connect you to the insurances you need.

To set up an appointment with a SHINE counselor to review your choices, call the Barnstable Adult Community Center at 508-862-4750.

TELEPHONE REASSURANCE

Families are living so far apart now; wouldn’t it be a comfort to have a friendly voice call and check to make sure you’re safe and well at home?

If you live alone and are a little concerned, there’s a great program for you called Telephone Reassurance. Here’s how it works: On Monday through Friday mornings, someone will call to make sure you’re up and about for the day. If you don’t answer the morning call after a few tries, we’ll send an outreach worker to your house to make sure you’re okay and to follow-up with whatever steps may be necessary. This program will provide you with additional security.

For more information about the program, call the Support Services Department at the Barnstable Adult Community Center at 508 862-4750.

Brown Bag | Fuel Assistance

BROWN BAG
Brown Bag for Older Adults
Do you find it hard to make ends meet? Would you like a little help? If you qualify for low income programs like fuel assistance, have a single income less than $35,640, and are older than 60, you’re eligible for the Brown Bag food distribution program which the BACC runs in partnership with the Greater Boston Food Bag.

Once a month, you’ll receive a grocery bag of food containing fresh fruit or vegetables, soups, cereal, dairy and chicken or other form of protein. There is generally enough food for three to six meals. You may pick up the bag here at the BACC on the first Friday of each month, and if you don’t drive, we can deliver.

To register, call the BACC’s Outreach Department at 508-862-4754.

Our thanks to the Friends of the Barnstable Council on Aging for their generous support of the Brown Bag Program!

FUEL ASSISTANCE/WINTER 2019-2020
Now is the time for fuel assistance for the winter of 2019/2020. If you had fuel assistance last winter you should have received a yellow renewal application. We will have the new applications for folks that haven’t applied in late September. The program doesn’t start until November, but they like to start processing the paper work early.

If your last year’s income was less that $37,360 for a single person, or less than $48,855 for a combined income of two, you are eligible for fuel assistance. Fuel Assistance helps with heating your home no matter what you use for heat. If your heat is included in your rent, you should also apply as Fuel Assistance will reimburse you a portion or your rent For help with your renewal application, call the outreach department at 508-862-4754. Please review the paperwork check list to make sure you have everything ready.

Stand Up! Be Counted!

Are you a snowbird heading south for a while? If yes, did you know that your information should be counted at the address where you live and sleep the most? If you live here on Cape Cod for most of the year, you need to fill out the census form for your Massachusetts address.

Census data affects our community. The data determines federal funding to Medicare and Medicaid, MassHealth, our local health center programs — and for our community’s social and support programs for older adults.

The data collected by the U.S. Census will determine our political representation for the next ten years at local, state and federal levels.

Did you know?
- Data is for statistical purposes only.
- Your responses will not affect your property tax or insurance premiums.
- You may fill out the census online, over the phone, or with the traditional paper form.
- The information is strictly confidential and is not shared with any federal or state agency.
- The Census Bureau will never ask for your Social Security number, bank account number or money of any kind.

Barnstable Neighbor to Neighbor (BN2N) is being created in the “village” concept to support town residents in their desire to “age in place” while maintaining quality of life.

Using a network of volunteers, BN2N is a 501(c)(3) nonprofit organization that will provide services such as: transportation; light household and yard tasks; shopping for food and supplies; assistance with devices such as smart phones, TVs, tablets, etc., and socialization.

All residents of Barnstable, from all seven villages, age 60+ are eligible for services with a membership fee. We will also offer reduced-fee memberships for eligible residents unable to afford the full membership fee.

Volunteers who provide the services will be CORI-screened, interviewed, and trained prior to service. A board of directors will provide ongoing support to volunteers and oversight of services and administration of BN2N.

The steering committee organizing BN2N is in the start-up phase of development, with plans to launch services by June 2020. Since we are a 501(c)(3), tax-deductible organization, donations are always appreciated in our development phase. Although we are an all-volunteer organization, our expenses include software; printing; website, legal and graphic design services; liability insurance; and training materials. When fully operational, we expect to be self-sustaining on membership fees, although continued donor support will be sought to keep membership fees as low as possible.

Walk for Alzheimer’s Provincetown Town Hall @ noon

“The support I received from the Alzheimer’s Family Support Center taught me that even though I couldn’t stop my husband Alzheimer’s disease, there were things I could do to make our lives better. I learned to not over react because what was happening was not his fault. And I learned to take care of myself while I was taking care of him. By realizing the importance of caring for myself, I could focus on the positive aspects of caring for Roland. Caring for myself is the reason I am as healthy as I am today.”
